# First Aid & Safety

Friday 3rd September

Conference Room #3

1:30pm to 3:30pm

We cover all aspects of First and Secondary aid.

First Aid would be CPR, Rescue breathing, Spinal injuries, Stroke to name a few.

Secondary Aid discussions are around breakages, sprains, bleeding, poisons etc.

Our family of Manikins include adult, child and babies for proper demonstration and practical application. All students are awarded a certificate which is valid for 2 years after which a refresher is done to keep your certification valid.

## Why First Aid?

- To be able to offer immediate care and potentially save someone's life
- Able to control and support persons involved with the knowledge of advised steps to follow
- Identify life threatening circumstances and act immediately
- Activate emergency services
- Be prepared with a well-stocked first aid box
