## MORE ON:

Island Swim School is a purpose built, learn to swim facility.

Our business is in Bambous Industrial. We chose this location to be as central as possible to allow ease of access to the majority of our students. Our pool is a custom-built, indoor and heated, learn to swim training institution. We teach babies with their mummies from as young as 6 months old, right through to our adult beginner's. Our focus is to learn through play, we have a very gentle approach and aim to establish water enjoyment, safety and comfort ability from a very young age.

Our team are all Internationally certified Swim instructor's, with a love for teaching. Our facility ensures our staff undergo constant extended training and up skilling to ensure our service delivery is the best for our little students. All members on site are Fully First Aid trained and vaccinated.
