

## Sustainability Project Manager at CIEL Group

At 35, Xavier Koenig has had a multi-disciplinary career in Engineering (mining and ship-building), Sustainability and Photography. Keen outdoorsman, he loves everything from the mountains to the Ocean, has climbed high-altitude peaks in Africa and the Himalaya, and shot high-profile sports in Mauritius and abroad. He now builds vivid story-telling into his dedication to sustainability.

# XAVIER KOENIG

# How to get the sport photography you need

Saturday 4th September  
Conference Room #3  
11:30am to 12:30pm

If you are an athlete, a brand or an event organiser, you know the kinds of photos you want to tell your story.

- Do you know how to make them happen?
- Have you worked with several photographers and been disappointed?
- Did you have to buy stock photos that felt disconnected from the image you wanted to give?
- What does it take to get the right ones?

As an outdoor photography specialist for 5 years, Xavier Koenig will share some keys to unlock better photography to suit your needs.
